

SCHOOL BUS APPLICATION FORM – 2011/12

We provide a school bus service for school-aged children (older than 4 years).

The cost for home – school – home service is 5.000,- CZK per month per child for the Academic Year 2011/12. There is a reduced cost for families with 2 children (9.200,-CZK/month) and 3 children (13.500,-CZK/month). Invoices for the home-school-home bus service will be issued termly.

Bus services cover metropolitan Prague and Průhonice. We are not able to provide a service to areas with less than 12 children in the locality. To ensure a more economic and faster bus service, it may be necessary to ask parents to take their children to central collection points close to their homes.

Please complete and return the attached form to the school office by 27th May 2011. Please note that we can only provide a bus service for those children whose parents have completed the Bus Application Form. Timetables will be e-mailed to parents on August 22nd 2011. We can only respond to written requests and then only on a first come first served basis. New parents should submit this form together with the Application Booklet as soon as possible.

If you wish to cancel school bus transport during the school year, please do so in writing at least 14 days in advance (see the contact address below). If your child is ill, or your family leave for holidays during the school year, please contact the school or driver as soon as possible so that the bus does not have to drive to your house.

Please be aware that all school buses depart at the end of the school day (Kamýk 3:25 pm, Vlastina 3:00 pm). There are no buses available after school clubs (4:00 pm), please ensure that you collect your children if they attend clubs.
