School Lunches for Kamyk and Vlastina Students

Dear Parents

EUREST are the catering company that we are using to provide hot lunches in our dining rooms.

Kamyk lunch room supervisor: Mr. Nováček

Vlastina lunch room supervisor: Ms. Křenková

Opening hours of the dining room in the first 2 weeks are from 08:00 – 14:00. All other times are from 10:00 – 14:00 at Vlastina and 10:00 – 15:00 at Kamyk.

TUESDAY IS LUNCH PAY DAY! (dining room is open from 08:00 – 16:00)

If your child already has an account, you may put money onto the card and place an order. Menus for the first two weeks are available on the EUREST website:

<http://www.skoly.eurest.cz/Pages/Anonym/HomePage.aspx?lang=en>

If your child is new to the school and you wish to have a lunch account please come into the lunch room to register your child during the first school day.

The supervisor will provide your child with a lunch card, which he / she will keep in the lunch room for safety.

You will need to put money on this card immediately so your child will have credit to have a lunch that day. The following day you will receive a letter with your card number (which is used as the variable symbol for bank transfer payments) and your login details for the ordering system.

How to order

Parents use their login details, place orders, which are done through the EUREST electronic ordering system.

The EUREST website address is:

<http://www.skoly.eurest.cz/Pages/Anonym/HomePage.aspx?lang=en>

PLEASE NOTE THAT IF YOU ARE NEW, YOU MUST REGISTER FIRST.

Cost of lunches:

Each primary school lunch is 78kc so one school week is 390kc.

Each senior school meal is 80kc so one school week is 400kc.

Payments

Payments can be made in two ways: direct payment to the supervisor in the dining room or through bank transfer. Each month is on average 1600kc per child, so please use this figure for monthly bank transfers. Any remaining money will be transferred back to your account at the end of the school year.

Please note that parents will be asked to take home, or bring lunch, for any child who does not have credit in their account after a reminder.

Bank Transfer

If you wish to make payments by bank transfer, here are the bank details:

EUREST bank account number is: 35-5854130207/ 0100.

The variable symbol is the number of your child's lunch card.

Please note that lunches cost 1600kc per month. (The number of school days has been divided and this is the amount that needs to be paid through bank transfer each month).

Cancelling lunches

If you have ordered a lunch and your child is not coming to school on that day for any reason, you will need to cancel the lunch: by 08:00am by phone or 1 day before at an web account, otherwise any orders will be processed and you will be charged.
