

RESULTS FROM VLASTINA FRIENDS FEEDBACK FORM 2010/2011

Price of events

Generally parents thought the prices were ok, but a few events were bit too expensive.

Repeat the event

General response was to repeat the events, especially the Childrens Christmas fair and country orientated coffee mornings.

Parents Christmas Fair

Some items for sale were too expensive.

More sellers requested.

The event is too small for the number of parents who visit the fair.

Bake sale

Popular with the children.

Great way to raise money.

Too expensive, 30kc is enough.

Very well organised.

Parent asked why the children need money to buy the food that they baked at home.

Carneval Disco

Some children would like more dancing.

Younger children would like pizza too.

Event should have finished at the same time for younger and older children.

Easter party

Too much chocolate.

Too expensive.

Some children disappointed with event.

Hold the event after school instead of during school time.

Some parents did not want this event repeated.

Continue with international tables.

Maybe change the format and have some new ideas.
